

DISCUSSION: Contact Don MOSS

Meetings: 11:00-12:30 1st Friday at the RAFA Club

DISCUSSION GROUP – KUMAR

We continue to choose our subjects a month in advance to give us time to research and contemplate our interests. We are often pleased to learn that we have anticipated concerns that become more widely known through the news media. Although we try to balance our discussions over our themes of 'soil, soul, society' inevitably there is much crossing the boundaries. Our recent meetings have considered our place in the universe; how can we persuade decision makers to listen to our views; sharing our favourite music. We are looking forward to one member of the group returning from a visit to China to introduce us to Confucian philosophy.

By its nature the group has to be limited in numbers to allow all to freely contribute. We are full at the moment, but if anyone would like to start a new group we would be more than willing to facilitate this.

Discussion – Being Human – Contact Simon Wright

We meet monthly, second Monday at 10.30 to 12.30 Member's home

We meet to identify issues relevant to human life and to search for meaning from our own observations and from the ideas of philosophers, psychologists and others.
