

**FRENCH CONVERSATION:** Contact Paul WOOLSTON

Meetings: 10.00-12.00 2<sup>nd</sup> & 4<sup>th</sup> Wednesday. Location varies.

This group has been meeting with six members on the second and fourth Wednesday mornings of the month in members' homes.

The object is to practise speaking everyday French in a relaxed and friendly session, expanding our vocabulary and useful expressions and, just as importantly, listening carefully to others.

After conversation and during our short reading and translating stints we have finally reached the end of our difficult modern classic by Saint-Exupéry. We are now continuing with one brief article at each meeting on aspects of life in France and other francophone countries from a book entitled "Read and Think French".

We would welcome a few new members who would like to converse in French with us in our light-hearted and informal sessions.
