GERMAN GROUP

We have now been meeting for over 2 years and we are very pleased with our progress. We now meet at Tesco from 2pm to 4pm on the 1st and 3rd Wednesdays of the month. We have been basing our studies on 2 resources. Let's Talk German by Peter Sutton is a basic text. We manage about 4 pages a meeting and have now completed 34 of the 40 chapters. Deutsch Direkt is a BBC course consisting of a book, audio cassettes and video cassettes. We have completed 12 of 20 chapters and there are 2 further books which we plan to move on to. Additionally, we each write a few sentences each meeting. As we continue to make progress we hope to attempt more conversation.

Last December we invited our spouses to a German meal; Amici's restaurant kindly laid on a special menu for us.

There are currently 7 in the group. We are happy to welcome new members. We would also appreciate occasional visits from accomplished German speakers willing to correct our errors.
