### **HISTORY GROUP**

The History Group continues to go from strength to strength. We meet on the third Friday of every month in the Sage Cross Methodist Church from 2:00 until 4:00. We already have a large membership, but all U3A members are welcome to join us.

We have had many interesting and varied speakers over the past year and I am sure with our new speaker arranger, we will have just an interesting programme next year. In addition to that, we had a coach outing to Hughenden Manor and two guided walks at Eastwell and Leicester, which everyone seemed to enjoy. Next year we hope to have a coach outing to Oxborough Hall, a village walk and a further visit to Leicester.
