#### **LINE DANCING GROUP**

We have had another very enjoyable year learning lots of new dances and a few 'golden oldies'. We are a large (hence the waiting list), happy group, and the hour on a Thursday flies by for me, certainly, and hopefully for the group too.

In January our second in command Eileen Harrop is taking a well-deserved retirement from the organisation side of the group. Eileen has taken on this role for many years serving my predecessor Jenny Martin before me and myself for the last two years. We are all so grateful for the time and dedication she has given to this task for so long and look forward to welcoming her back after her break as a dancing member only. Luckily another member has agreed to take on the role vacated by Eileen, thank you Mandy, so we continue on.

Once again I say a very big thank you to Jenny Hall who takes on the group so well when I am on holiday or working and my thanks as ever to the more experienced line dancers who aid the newer members. So we 'Keep Dancing' into 2017!
