<p>Each month we decide on the venue for the next month's lunch which always takes place immediately after the general U3A meeting on the third Thursday of the month. We collect monies for the meal up front and ask members to make their meal choices. The group leader reminds members of their meal choices at the time of the meal.</p> <p>It is a friendly group with members enjoying the chat and the company at the meals. We always try and organise one special event each year. This is a popular group and is currently full but we do operate a waiting list if you are interested in joining us</p>
