Meetings: 13:30 – 16.00 last Thursday at Parish Hall Asfordby.

Members of the Group –
April 2016

Patchwork 3

We have been working as a group for 15 months now and the ladies have made great progress.

The sampler quilts started last year are now being finished and we are moving on to learning stitch in the ditch and free motion quilting.

Unfortunately I was taken ill in June, the group continued thanks to Norah Birch who sat with the ladies for the June and July meetings. I was back by the end of August.

We decided that the December meeting was not viable so in the future we will be meeting for 11 months of the year.

In October we started on Christmas items and some really nice Christmas tree wall hangings were made. One lady made pot holders for Christmas presents.

The group has requested that I do projects for them, so I will have my work cut out. Just now they are hand quilting cushion covers to learn the rudiments of hand quilting. In the future blocks suitable to make place mats or table runners for Christmas are in hand.

I enjoy working with the ladies. We have devolved and have a tea lady, a lady who deals with the cash and substitutes for me, if I am unable to attend a meeting for some reason and a lady who has taken over arranging outings. In May the group and friends will be going to the Spring Show at Malvern.
