<p>We make cards and other decorative items from parchment paper. We trace the design and colour with coloured pencils or pant then emboss to raise the pattern.</p> <p>No artistic skill is required because we do trace the subject. This is a very satisfying craft and we are proud of the items we produce.</p> <p>We are a small, friendly group and new members are welcome. Come along and give it a go, there is no cost for the first meeting. After that there is a small charge for the hire of the room and you will need to purchase your own materials.</p>
