READING GROUP DAWSON

The group meets once a month to read a pre-selected book, sometimes bought, sometimes selected from the library collection and occasionally obtained from a publisher. We then have lively and interesting discussions on the book and related topics. We had 1 new member this year and at present we are full.

Jenny's Reading Group

We meet on the fourth Thursday of the month at 2.00pm and currently in 'The Sit and Settle' on Nottingham Street in Melton.

The group started in 2012 and we continue to enjoy our reading and consequent discussion and it is sometimes surprising how much our opinions differ! We find that we are reading books that we would certainly not have chosen to, and again are surprised that we enjoy them or at least find them interesting. The selection of books from the library certainly widens our scope of personal reading.

As we borrow our books from the library, there is no cost involved.

One member of the group prefers to read the book on her Kindle and would be happy to help others with navigating through theirs.
