<p>The group meets once a month to discuss a pre- selected book which we read at home.</p> <p>The discussion usually revolves around how the book is written, sometimes about the subject and often we discuss how it relates to other books by the author we have read or how other authors have dealt with a similar subject.</p> <p>We all have a say in the choice of book, sometimes chosen from a collection from the library, sometimes borrowed from other groups, sometimes sent as a gift by the Reading Groups for Everyone on line, or sometimes bought by us.</p> <p>We have 10 members currently and because we meet at the group leader's home, we are unable to accommodate more members at this time.</p>

<p>The group started in March 2010 and we meet on the 3rd Tuesday of the month at one of the member's homes.</p> <p>Sets of books are available from the library (thanks to Janet for all her help in making the swaps possible) and we discuss a book we have read the previous month.</p> <p>Over the years we have read a varied range of books and everyone comments that this leads to reading books that we wouldn't necessarily have chosen ourselves. This in turn widening our knowledge and appreciation of new authors.</p>

<p>The group started in 2012 and we continue to enjoy our reading and consequent discussion and it is sometimes surprising how much our opinions differ! We find that we are reading books that we would certainly not have chosen to, and again are surprised that we enjoy them or at least find them interesting. The selection of books from the library certainly widens our scope of personal reading.</p> <p>As we borrow our books from the library, there is no cost involved.</p> <p>One member of the group prefers to read the book on her Kindle and would be happy to help others with navigating through theirs.</p>
