<p>The group started in February 2018 and we have now progressed to 4-part arrangements for descant, treble, tenor and bass recorders. So far, we have mostly played folk tunes and music from the renaissance period but nothing is ruled out for the future. We currently have several players on each size of recorder with an average of 12 members attending each session.</p> <p>The group is no longer suitable for beginners, but lessons are available for anyone who would like to learn</p>
