SAFEGUARDING POLICY AND PROCEDURE

MELTON MOWBRAY U3A

Policy Statement:

This Policy and Procedure is written to enable your Committee to act appropriately whenever possible, where instances, or allegations of, actual abuse or neglect comes to their attention.

Melton Mowbray U3A recognises that some people are potentially at risk of abuse and neglect. Abuse and neglect can take place in a person's own home, in the home of a carer, family member or friend, within a U3A or any other social meeting place and within institutions e.g. hospitals, residential care or nursing home.

Where abuse or neglect is suspected Melton Mowbray U3A will aim to respond to the situation in a way which is caring, effective and enabling. Melton Mowbray U3A also recognises that abuse and neglect can be perpetrated by volunteers, other users of services, relatives, friends and neighbours. Melton Mowbray U3A acknowledges that the reasons for abuse and neglect occurring may not be fully understood and vary with each incident, often dependant on risk factors

Melton Mowbray U3A will neither condone nor tolerate any form of abuse or neglect and believes that all people should be able and, where necessary enabled, to live in an environment which is safe.

In all situations, Melton Mowbray U3A believes that everyone is entitled to:

- privacy
- be treated with dignity and respect
- lead an independent life and to be enabled to do so
- choose how they live their lives
- the protection of the law
- have their human and civil rights upheld regardless of ethnic origin, gender, sexuality, impairment or disability, age, religious or cultural background.

It is not appropriate for Melton Mowbray U3A to take the lead role in any Safeguarding Enquiry under Section 42 of the Care Act 2014, but through the committee should refer this to Advice and Volunteer Manager (Sophie Wellings sophie.wellings@u3a.org.uk ph 020 8466 6139) in the U3A National Office who will contact the appropriate local authority.

Melton Mowbray U3A will monitor the implementation of this policy and procedure annually through its Committee. [See page 5 for adoption of the policy by Melton Mowbray U3A]

Procedure

1. Melton Mowbray U3A recognises that it has a responsibility to ensure that its committee and group leaders understand this policy.
2. Melton Mowbray U3A will support the alleged victims and the alleged perpetrators of any abuse as well as any volunteer who becomes aware of the abuse in so far as this does not compromise any Safeguarding Enquiry or investigation into the allegation or place other adults at risk.
3. While Melton Mowbray U3A will make every effort to respect the confidentiality of any information that is disclosed under this Policy and Procedure, this cannot be guaranteed.
4. Information will be recorded and stored securely in accordance with GDPR (General Data Protection Regulations 2018), but confidentiality is not absolute and information may have to be shared, on a 'need-to-know' basis only, to prevent:
 - Danger to a person's life
 - Danger to a person's health
 - Danger to others
 - Danger to the community
 - Or to prevent or to facilitate the investigation of a serious crime.

This Policy, Procedure and Appendices will be reviewed every 3 years from their date of adoption. The names and details of the Committee should be amended when any change of Trustee takes place.

[See Appendix 1 for Trustee details and the updating process.]

Courses of Action

- If the committee becomes aware of possible or actual abuse or neglect, it should ensure that the safety of the adult at risk is secured as a first priority.
- Any committee member who becomes aware of possible or actual abuse should, as soon as possible, record the details of the abuse using SAP form, see pages 7-8. They should advise the rest of the committee and the Advice and Volunteer Manager at National Office who will provide further guidance.
- The committee, having been advised of the possible or actual abuse, should satisfy themselves that the adult at risk is safe, and that the alleged perpetrator, if known, does not pose a threat to any other adult at risk.
- The committee, working with the Advice and Volunteer Manager at the National Office will decide whether or not to refer the possible or actual abuse to the local authority and/or the Police. When a crime may have been committed, the Police must be contacted as soon as possible. If the decision is to not refer, the reasons for this must be recorded on form SAP.
- As far as possible, the adult at risk's wishes will be respected as to whether or not to refer any concerns to the local authority as a Safeguarding Enquiry under Section 42 of the Care Act 2014. However, it may be necessary to override these in the best interests of other adults at risk.
- The committee then completes the SAP with the guidance of the Advice and Volunteering Manager.
- Completed SAP will be held in a designated file for a minimum of 2 years from the date of the last completed SAP on the adult at risk.
- Confidentiality is adhered to at all times; therefore the contents of the form will not be provided to any third parties.

Appendix 3: If someone discloses abuse to you:

Do:

- Stay calm and try not to show shock or disbelief
- Listen carefully to what they are saying
- Be sympathetic (I'm sorry that this has happened to you')
- Be aware of the possibility that medical evidence might be needed
- Tell the person that:
They did the right thing to tell you. You are treating the information seriously. It was not their fault You are going to inform the appropriate person. You will take steps to protect and support them
- Record and report the disclosure in line with this Procedure

Do Not:

- Press the person for more details; this will be done at a later date
- Stop someone who is freely recalling significant events (Don't say 'hold on, we'll come back to that later'; they may not tell you or anybody else again)
- Do not promise to keep secrets; you cannot keep this kind of information to yourself
- Make promises you cannot keep (Such as 'This will never happen to you again')
- Contact the alleged abuser
- Be judgemental
- Pass on the information other than to those with a legitimate 'need-to-know ' under this Policy and Procedure

In your record of the disclosure:

You should aim to:

- Note what people actually said, using their own words and phrases
- Describe the circumstances in which the disclosure came about
- Note the setting and anyone else who was there at the time of the abuse or the disclosure
- Separate factual information from your own and others opinions
- Use pen or biro with black ink so that the report can be photocopied if needed
- And be aware that your report may be required later as part of a legal action or disciplinary procedure.
