<p>We organise regular events and outings. We meet around every 6 weeks. At the meetings we follow a routine agenda thanking organisers after outings or events participated in. Generally, we run through and talk about group outings held since the previous meeting. We also welcome new members (at their first meeting) and if necessary, have a collection for sick members.</p> <p>Furthermore, we may go on to discuss days out of interest in the future. This is always followed by a meal (optional).</p>
