<p>We are now a very small group and have progressed well over the past year, so it is probably better that if someone wishes to join our group they should have a grounding in basic Spanish. We are currently studying the past tense. We are using a book called Mastering Spanish 1 by Macmillan Master Series, written by Roy Clarke. This is an old book, mine was published in 1985, but it does give a good grounding. You can buy these from Ebay/Amazon for a couple of pounds.</p> <p>Ahora somos un grupo muy pequeño y hemos progresado bien durante el año pasado, así que es probablemente mejor que si alguien desea unirse a nuestro grupo deben tener un fundamento en español básico.
