<p>We organise outings to theatres both locally and further afield. We are able to provide a wide variety of productions (eg ballet, plays, concerts, musicals).</p> <p>Transport is provided for evening and productions further afield – for which there is an additional cost. All monies must be paid up front to secure your place.</p> <p>The group enables like minded members to go to the theatre in company.</p> <p>Any U3A member can attend any of these events. We always put something in the U3A monthly newsletter about the shows we are thinking of going to and we have a table at the U3A monthly meetings where you can book a place and pay your money.</p>
